SGT. [REDACTED] BURGLARY SQUAD, MPD advised of
confidential information received indicating BARKER
et al, may have been responsible for local burglary,
Chilean Embassy, 2 weeks prior to this (6/21/).

[REDACTED] said he would check. If prints located would
have them compared right away.

Called EARL SILBERT, AUSA, appraised him of above
possibility. Informed him that MPD would run prints of
subjects.

[REDACTED] called me back 10:50am and advised Burglary
happened over weekend of 5/13/-15/72. Several radios
AM-FM models, (1) electric razor and (1) passport
stolen. Embassy ransacked. Several prints (5)
developed. Compared by Identification Division, MPD
with negative results. That is the prints of our
(5) subjects were compared with negative results.

It appears this is a local burglary as nothing of
great value or importance reported stolen.

Called EARL SILBERT and appraised him of negative
results.

No further action being taken.
